

# ST. JOHN BOSCO

## Catholic School

---

January 6, 2021

Dear St. John Bosco Families,

As members of our supporting parishes and community, your family is important to us. Our faith joins us together and our Catholic school gives us the opportunity to surround our children with our faith all day, every day. I invite you to share in everything we have to offer your family and to give your child the gift of an education that allows them to connect and respond to what they are learning and what they believe.

We have several programs in place to help with any financial burdens that school tuition might cause. Because of the generosity of local donors, we can offer tuition assistance, which can cover a portion of your child's tuition should you qualify.

Our school has also joined the Wisconsin School Choice program, also referred to as the School Voucher Program. This program allows eligible students who reside in Wisconsin and meet the state requirements to attend Catholic school tuition-free. St. John Bosco became a Wisconsin Parental Choice (voucher) school beginning with the 2020-21 school year. Qualifying families currently attending our school were the first to become involved in the program.

Where your child attends school is one of the most important decisions you make. If you are interested in more information or think you might qualify for one of these programs, please contact me. As always, these conversations are confidential.

Sincerely,

  
Vickie Dassler, Principal
