From the Principal...

Gala of Giving

This is the first time in nearly 30 years that we will not gather in person for our annual Gala of Giving. While we are saddened that we will miss out on the fellowship and time together, we are excited to launch our virtual Gala Raffle.

However, we need your help! Our raffle will only be successful if we sell raffle tickets.

We are hoping that each Bosco family can sell at least 5 Gala Raffle tickets to their family, friends, neighbors or co-workers.

All funds raised for the Virtual Gala Raffle will directly benefit your student! Funds are used for the daily operation of the school: purchasing textbooks and classroom supplies, lighting and heating expenses, funding teacher salaries, and more.

Please see the insert included with today's family folder for more information about ticket costs and raffle prizes.

The classroom that sells the most tickets will receive a special lunch! Thank you for your support and generosity for this year's Gala

Raffle as we invest in the future of our students and school!

Mrs. Dasser

Virtual Parent /Teacher Conferenes

Virtual Parent/Teacher Conferenes are Thursday, January 28. Assigned time notices can be found in your family folder today.

Electric Moment

During our typical Gala of Giving, we host a special Electric Moment. Within minutes, this reverse style auction raises upwards of \$50,000 for special projects. This year's special project is a Schoolwide Technology Update.

The funds raised through the Electric Moment will replace and update the iPads, laptops and smartboards throughout the school. Each of your students will benefit on a daily basis from this transformation.

Dennis and Bonnie Connolly and an anonymous local donor have generously agreed to match all Electric Moment donations up to \$55,000.

If you or your company is willing to support the Electric Moment, please contact Mrs. Dasser for more information.

We are so thankful that our school has remained open this year. The efforts of the families, teachers and staff, and students have made this happen; and it has had a profound impact on our students. With brighter times ahead, we need your support of the Gala Raffle and the Electric Moment as we invest in the future of our school and our students.

School Closing and Bad Weather

For school closing information, please check our Facebook page, WBAY2, Fox 11, and NBC26 and listen to WDOR and doorcountydailynews.com radio stations for school closing information.
