

Glenn and Barb Timmerman Donate \$5,000 to 2021 St. John Bosco Golf Outing

Glenn and Barb Timmerman have donated \$5,000 to the 2021 St. John Bosco Golf Outing. This is the third straight year they have made a generous donation to the annual event.

The Timmermans have been Door County seasonal residents for 18 years and have had a family presence here for over 65 years. They are well known for their efforts to save Horseshoe Bay Farms (as well as HSB Golf Club) for future generations. They have been generous donors to a host of youth and arts causes.

Mr. Timmerman has said:

St John Bosco School is important as it uniquely lays a solid foundation for youth formation within the context of our Catholic faith. My 8 years at Saint Peter & Paul grammar school in Green Bay (class of 62) were life altering from an education, sports and faith standpoint. We know the impact such an environment can have on a kid "from the other side of the tracks." Barb and I are happy to be part of this!

We are honored and humbled for this generous donation. Thank you, Glenn and Barb!

This year's outing will be held on August 2nd at Horseshoe Bay Golf Club in Egg Harbor. There is still time to sign up for or make a donation to this event. Please see the website or contact the school office (743-4144) to obtain more information. A heartfelt thank you to all who have donated thus far!
