Remember, this school year, meals are free. If the menu of the day isn't interesting, all students can order salads; MS and HS Students have additional meal choices offered on the lunch line which are also free.

Due to a variety of food supply chain issues, we have begun to feel the impact at a school district level. We've already encountered a time when we needed to substitute items. To provide some flexibilities for us and lessen student surprise, we've started to list some menu items a bit more vague. Thank you for understanding and knowing the highest quality food items will be offered to our students.

On October 14 we will join almost 1 million other local apple crunchers in the upper Midwest. Staff, please send pictures of your groups crunching to our school media advisor.
