Dear Parents,

We at St. John Bosco are honored to work with you to provide a quality education centered in academic excellence and faith development. We look forward to continuing that relationship as we begin planning for the 2018-2019 school year.

Our school calendar is enclosed for planning purposes. "Save the Date" for Tuesday, August 28th for Sneak Peek and Orientation. More information will be coming on those two topics in early August. We are beginning the school year on Thursday, August 30, 2018. **The student day will begin at 8:00 am and end at 3:00 pm.**

Enclosed within this packet is a registration form and tuition rate information sheet. Tuition has increased for the 2018-2019 school year by \$50. We have had a significant interest in our school with our Open House, especially with our early primary grades. We are taking our current family registrations first but will be opening up registration to other families in the community on March 21st. A paid registration ensures enrollment in a class.

Please review the registration form enclosed for accuracy, complete, and return it to the school with your registration fee as soon as possible. Once we receive your completed registration information, you will automatically be reenrolled in FACTS according to your current agreement. After you are reenrolled if you would like a different payment agreement, you may go to your FACTS account and select the plan you would like for the 2018-2019 school year.

We never want any of our families to leave our school for financial reason. If you anticipate needing some support for your tuition, please complete the FACTS Grant and Aid Application accessed through the "Apply for Financial Aid with FACTS" link at the top right of your FACTS account.

Thank you for continuing to give the gift of a Catholic Education to your children here at St. John Bosco Catholic School. This gift to your children is an investment in the future of our church and our community.

May God bless you,

Sincerely,

Vickie Dassler, Principal
