

# ST. JOHN BOSCO CATHOLIC SCHOOL

January 27, 2021

Dear Parents:

In hopes that the COVID-19 virus will not be as impactful during the 2021-2022 school year, we are asking families, as in the past, to donate hours to our school. While many of our families donate hours in a variety of ways there are also many who do not. Continuing with the Board of Trustee's previous decision, **a minimum of 6 hours will be required of each family.** This is above and beyond athletic team volunteering and fundraising for the Washington D.C. trip that 8<sup>th</sup> graders take each year. If you choose not to participate and would rather send in a monetary contribution, \$150.00 would fulfill the family obligation.

Listed below are 7 different areas where volunteering can take place. Please identify the areas you are willing to work in and send back this form. Identify under other if there is another area of interest for you.

Families that are requiring tuition assistance are required to participate in the SCRIP program. Up to \$250.00 is taken off tuition by participation. There is no cost to this, only that you purchase gas, grocery cards, etc. prior to your shopping and a percentage will be awarded back to your account. This will also be in place as tuition assistance is awarded.

If you have any questions on the above information, please feel free to contact me at 920 743-4144.

Thank you,

Vickie Dassler, Principal
