

## Art Teacher Description

Looking for a K-8, artist who is passionate about teaching in a 40% position. Has the ability to provide instruction on the basic principles of art as well as art history. Will instruct students in the knowledge and usage of skills and techniques of artistic expression, foster creativity and provide the tools and techniques for students to share and explore their imagination and self-expression. Students also learn about art history, color theory, composition, and elements of design.

Each grade level meets twice per week, 30 minutes at K-4, 45 minutes at 5-8.

Pay commensurate with experience. Wisconsin teaching license required.

Typical duties:

- Prepare lessons
- Provide and prepare supplies needed to complete the assignments
- Instruct students individually and in groups
- Use various teaching methods such as lectures, discussions, and demonstrations
- Explain and demonstrate artistic techniques
- Evaluate and grade student classwork and projects
- Develop and enforce classroom rules
- Initiate, facilitate, and moderate classroom discussions
- Stay current on state and local standards
- Communicate with parents and administration

Additional attributes:

- Able to encourage creativity in others
- Resourceful
- Flexible
- Energized by working with young people
- Skilled in traditional 2D and 3D art techniques, as well as digital art tools
