- ◆ **Oct. 7** - Blessing of the Animals 7:55
- ◆ **Oct. 7** - Cross Country Meet at Northbrook Golf Course 3:45
- ◆ **Oct. 19** - Picture Day

## From the Principal...

It is hard to believe that in less than ten days the month of September will be just happy memories of school beginning, friendships forming, new things learned and growth taking place. Thank you for the continued support we have received from each of you: reading with your child, making sure homework is completed each evening, sending healthy snacks, listening to your student practice on their instrument, attending school masses and having open communication with us. It is because of your continued support I am reminded of Isaiah describing the relationship between God and Man and God continually shaping us to become his disciples. "O Lord, thou art our father, we are the clay, and thou our potter, and we all are the work of thy hand (64:8). As well as a poem written anonymously about two sculptors as it personifies what we have at St. John Bosco. I dreamed I saw a studio and watched two sculptors there. The clay they used was a child's mind and they fashioned it with care. One was a teacher – the tools she used were books, music, and art. The other, a parent, worked with a guiding hand, and a gentle, loving heart. Day after day, the teacher toiled with a touch that was careful, deft, and sure, while the parent labored by her side and polished and smoothed it o'er. And when at last, their task was done, they were proud of what they had wrought. For the things they had molded into the child could neither be sold nor bought. And each

agreed they would have failed if either had worked alone. For behind the parent stood the school, and behind the teacher, the home.

Practicing Faith,  
Strengthening our  
Community, Graduating  
Leaders,

*Mrs. Dandler*

## Picture Day

St. John Bosco School will be having Harmann's Studios take our school pictures this year. Picture day will be on

Wednesday, October 19<sup>th</sup>. Once again, orders will need to be placed online. Instructions on how to do this will be given to your student on picture day. Call the school office if you have questions.

## Annual School Fund Kicks Off

SJB's Annual School Fund Drive has begun. Your mailing can be found in your family folder today. Let's be generous in sharing our blessings.

## Additional Lunch Choices

Our lunch choices have been increased at SJB. Thanks to the efforts of Jenny Spude and Colleen Geurts, St. John Bosco students and staff now get to choose between three lunch options. For the price of \$3, students can have the scheduled hot lunch item, a salad (chef, veggie, plants only, or chicken oriental), or a salami and colby cheese sub sandwich. All that students need to do is let their teachers know in the morning if they want to order hot lunch, a salad, or the sub sandwich. We are excited to be offering more options to our students!

**New Science Tables and Chairs**

St. John Bosco School received a grant from the Horton Foundation. With these monies, we were able to purchase 4 new science tables, 16 chairs, and the funds to do electrical hookup to each of the tables. We are so excited for this updated makeover in the Science Room!

**Grandparents/Grand Friends Day**

St. John Bosco School was so excited to celebrate Grandparents/Grand Friends Day in person this year! We had over 150 guests attend our

special morning on Wednesday, September 14.

Our grandparents were able to attend mass,

share a snack, and tour the school

together.

Grandparents and Grand Friends are very special people to have in our lives!

**Stayed Informed about SJB**

The School Website – The website includes current news and a calendar of events for the current month. <https://johnboscoschool.org>

Dozens of photos from school activities fill St. John Bosco's Facebook page. Anyone can access it from our website.

**Cross Country Update**

SJB has five students participating in our first ever cross country team. We have already competed in two meets, with four more to go. Runners are continuing to improve their personal best.

**St. John Bosco Forms**

Please make sure that all paperwork from the first family folder and the August mailing has been returned to the school office. Thank you for the cooperation!

**Herb Kohl Educational Foundation**

The Herb Kohl Educational Foundation has opened its application process for teachers and principals.

In order for teachers and principals to apply, they must be nominated first. By nominating a teacher or principal, you give them the opportunity to apply for the competitive Teacher Fellowship and Principal Leadership Awards equal to \$6,000 per winner and \$6,000 per their school.

This is a great way to honor and recognize outstanding educators and leaders in your school. Fellow teachers, school leaders, parents, community members, and even students can nominate a teacher or principal.

To nominate Mrs. Dassler and our teachers go to the school's website <https://johnboscoschool.org>. Scroll down to Herb Kohl Educational Foundation and click on Nominate Principal and Nominate Teacher. Nomination deadline is October 8, 2022 at 5:00pm central time.

**DARE Program for Grade 5**

Our fifth graders just began their 10-week D.A.R.E. program last Thursday. Students will be educated about resisting drug abuse, anti-bullying, and making safe and healthy living decisions. Detective Chris Neuville is graciously fitting our school into his busy work schedule. We appreciate the sharing of his time with our fifth graders.

**Flu and COVID Vaccine Clinic**

Door County Public Health will be offering free Flu and COVID-19 vaccines to any student in grades 6-8 on Tuesday, October 25<sup>th</sup>. Participant forms can be found in the family folder today. These must be returned to the office no later than Monday, October 17<sup>th</sup> for your child to receive one. Thanks for the cooperation!

**Blessing of the Animals**

Blessing of the Animals will take place on Friday, October 7<sup>th</sup>. Check out the family folder for more details.

**Room Buddies**

The 6<sup>th</sup> graders and 4K students have been going to mass and have

been spending time together. We love seeing our older

students become role models for our littles.
