From the Principal...

This weekend, we're gearing up to celebrate the graduation of our incredible 8th grade class. We've been fortunate to have such an amazing group of students, and we have no doubt they'll continue to shine in

high school. They'll definitely be missed around here.

Just a friendly reminder that both of our upcoming weekly Masses will take place on Friday. This week, we're celebrating 8th grade graduation and next week marks the last day of school. Mass on Friday, May 24th, will begin at 9:00 AM. Please bring your child to school, as there will be no bus service that day. Feel free to join us in the gym for coffee, water, and some good company as you wait for Mass. This is intended to be a family celebration, please try to attend, or have another family member or friend attend with your child.

Following Mass, we'll have a reception in the gym, then transition to classrooms to pick up report cards.

After that, we'll move outside to enjoy lunch and games with our Parent Association. Meanwhile, our dedicated teachers will be inside, getting their rooms ready for the summer break.

God Bless,
Dr. Robey

5K Mass

Although we will miss the voices of our kindergartners practicing for “their” mass we were very proud of the wonderful job they did. Mrs. Van Meer’s hard work and dedication was very evident.

1st Grade Presentation

The entertainment event of the year occurred last week in our first grade classroom with multiple viewings of the first grader’s Tropical Rain Forest Presentation. This event was a culmination of months of work by Mrs. Mueller and the first grade class.

Cursive Club

Our second grade class has achieved another milestone this year as the entire class is now “officially” certified to write in cursive.

Field Day

We will celebrate Field Day on Tuesday, May 21. An information sheet can be found in the family folder. In case of rainy weather, the field day makeup day will be Wednesday, May 22. We are looking forward to a great afternoon of fun!

Gala’s Spring Tailgate Party

Because we met our highest goal in selling Gala Raffle Tickets, students and staff will be having a spring tailgate party on Tuesday, May 21. Students will be able to eat lunch outside and play outdoor yard games during their recess time.

School Supply List

In today’s family folder, we are sending home a copy of next year’s school supply list. Please keep this in mind as you shop over the summer.

8th Grade Baby Pictures

These are our 8th graders long before they were 8th graders. How many can you recognize?

Goodbye to the Class of 2024

On Friday we say goodbye to our 8th grade class with a clap out as their last time a SJB students. Please congratulate our 8th grade class.
